

# ANNEXURE 1

DESIGNATION	
AGE	
MEDICAL BRANCH	1. ALLOPATHIC 2. AYUSH
SEX	1. MALE 2. FEMALE
STATE	
SECTOR	1. GOVERNMENT 2. PRIVATE 3. NGO
ARE YOU CURRENTLY INVOLVED IN SCREENING OR MANAGEMENT OF POTENTIAL/SUSPECTED OR CONFIRMED COVID-19 PATIENTS?	1. YES 2. NO
WHAT IS YOUR DAILY INTEREST IN NEWS RELATED TO COVID-19 PANDEMIC?	1      2      3      4      5 Not interested      Very Interested
WHICH SOURCES OF INFORMATION ON COVID-19 DO YOU ACCESS ON A TYPICAL DAY?	Printed newspaper Online newspaper ICMR MOHFW WhatsApp Facebook Television
How much trustworthy do you find your various sources of information on COVID-19? (5 point scale) 1. Not Trustworthy 2. Less Trustworthy 3. Trustworthy 4. More Trustworthy 5. Most Trustworthy	Printed newspaper Online newspaper ICMR MOHFW WhatsApp Facebook Television
HOW CONFIDENT ARE YOU OF HAVING CORRECT KNOWLEDGE OR KNOWLEDGE OF SOURCE WITH REGARDS TO THE FOLLOWING?	1. Global and national burden 2. Mode of transmission 3. Role of PPE in protection against COVID-19 4. Correct steps for Donning and doffing PPE suit 5. Updated testing strategy of the ICMR 6. Home Quarantine guidelines 7. Self-Isolation guidelines 8. HCQ Prophylaxis guidelines
HAVE YOU USED THE MINISTRY OF HEALTH (MOHFW) WEBSITE FOR OBTAINING INFORMATION ON COVID-19 ?	1. Yes 2. No
HAVE YOU RECEIVED TRAINING REGARDING COVID-19 IN YOUR INSTITUTION?	1. Yes 2. No
IF YES, TO THE PREVIOUS QUESTION, HOW FREQUENTLY DID YOU RECEIVE TRAINING?	1. At-least once a week 2. Less frequently 3. Only once

PERSONAL RISK PERCEPTION OF COVID-19	1 Low	2	3	4	5 Very High
HOW MUCH CONCERNED ARE YOU OF TRANSMISSION OF THE CORONAVIRUS INFECTION TO YOUR FAMILY MEMBERS DUE TO YOUR OCCUPATION?	1 Low	2	3	4	5 Very High
DO YOU HAVE ACCESS TO ADEQUATE PPE FOR YOURSELF AT YOUR WORKPLACE?	1. Yes 2. Not sure 3. No				
DO YOU THINK THE PERIOD OF LOCKDOWN SHOULD BE FURTHER EXTENDED?	1. Yes 2. No				
IF NO, WHY? (TICK ALL REASONS)	No significant reduction in COVID-19 cases can be further achieved through The implementation of lockdown in hotspots has been ineffective Economic costs (unemployment, falling GDP) are a cause for concern Risk of hunger and malnutrition in underprivileged populations Increasing mental health problems Neglect of other health conditions: immunization/antenatal care/non-communicable diseases/routine surgeries				
ON A SCALE OF 1-5 HOW USEFUL WAS THE LOCKDOWN PERIOD IN REDUCING THE SPREAD OF COVID-19?	1 Least effective	2	3	4	5 Most effective
HOW CONFIDENT ARE YOU THAT INDIA WILL BE ABLE TO CONTROL THE COVID-19 PANDEMIC IN THE NEAR FUTURE?	1 Least confident	2	3	4	5 Most confident
WHAT IS YOUR OPINION ON THE TESTING STRATEGY FOR COVID-19 ADOPTED BY INDIA SO FAR?	Adequate and Cost Effective (Fully Appropriate) Cost Effective but Inadequate (Partially Appropriate) Initially inadequate but progressively more adequate (Reasonably Appropriate) None of the above				
FOR EACH OF THE STATEMENTS BELOW RECORD YOUR OPINION.					
INDIANS HAVE BETTER IMMUNITY COMPARED TO PEOPLE IN WESTERN COUNTRIES DUE TO HIGH PREVALENCE OF TB/HIV/ARI	1. Agree 2. Disagree 3. Not sure				
HOT AND HUMID TEMPERATURES REDUCES TRANSMISSION OF CORONAVIRUS	1. Agree 2. Disagree 3. Not sure				
BCG VACCINATION CAN REDUCE THE RISK OF COVID-19	1. Agree 2. Disagree 3. Not sure				

EVERYONE SHOULD USE A MASK WHEN OUTSIDE THEIR HOMES IRRESPECTIVE OF RESPIRATORY SYMPTOMS	1. Agree 2. Disagree 3. Not sure
YOU ARE DILIGENTLY PRACTICING HAND HYGIENE MEASURES SINCE THE ONSET OF COVID-19	1. Agree 2. Disagree 3. Not sure
YOGA IS USEFUL FOR BOOSTING IMMUNITY	1. Agree 2. Disagree 3. Not sure
AYUSH CAN BE USEFUL FOR BOOSTING IMMUNITY	1. Agree 2. Disagree 3. Not sure
HCQ IS USEFUL FOR CHEMOPROPHYLAXIS	1. Agree 2. Disagree 3. Not sure
HCQ IS USEFUL FOR TREATING COVID-19	1. Agree 2. Disagree 3. Not sure
YOU ARE GETTING ADEQUATE SLEEP AND REST	1. Agree 2. Disagree 3. Not sure
YOU ARE TAKING A HEALTHY DIET	1. Agree 2. Disagree 3. Not sure
YOU ARE DILIGENTLY PRACTICING HAND HYGIENE MEASURES SINCE THE ONSET OF COVID-19	1. Agree 2. Disagree 3. Not sure
