

Table 2: Distribution of participant's attitude on safe distancing measures (Q11-17) and precaution practices (Q18-22) during towards COVID-19

Attitude	Not often n(%)	Occasionally n (%)	Often n(%)	Very often n (%)	
Q.11 How often do you check for COVID-19 related news on social media?	14(7.2)	73(37.4)	85(43.6)	23(11.8)	
	No	Not sure	Yes		
Q.12 Have you had any COVID-19 swab test done before for suspected COVID-19?	150(76.9)	8(4.1)	37(19)		
Q.13 Do you know of any close family/extended family members diagnosed with COVID-19?	95(48.7)	24(12.3)	76(39)		
Q.14 Have you received any official stay home notice/ home quarantine order in this current pregnancy?	89(45.6)	32(16.4)	74(37.9)		
Q.15 Do you know of any close family/extended family members who have been issued with a stay home notice/home quarantine order?	85(43.6)	25(12.8)	85(43.6)		
Q.16 Have you missed any clinic appointments because of the fear of being infected with COVID-19?	174(89.2)	12(6.2)	9(4.6)		
	Not Important	Not so Important	Neutral	Somewhat Important	
Q.17 If you are well, how important do you think it is to come for your antenatal appointments?	13(6.7)	12(6.2)	39(20)	131(67.2)	
Precaution practice	Never	Rarely	Sometimes	Usually	Always
Q.18 How often do you practice social distancing in this current pandemic?	3(1.5)	5(2.6)	36(18.5)	85(43.6)	66(33.8)
Q.19	81(41.5)	27(13.8)	44(22.6)	35(17.9)	8(4.1)

How often do you stay home for social distancing?					
Q.20	69(35.4)	38(19.5)	32(16.4)	34(17.4)	22(11.3)
How often do you wear a mask at home?					
Q.21	3(1.5)	3(1.5)	8(4.1)	39(20)	142(72.8)
How often do you wear a mask outside the home?					
Q.22	4(2.1)	8(4.1)	24(12.3)	75(38.5)	84(43.1)
How often do you sanitize your hands using hand-rub or hand-wash?					

Table 3: Distribution of participants' perception (Q.23-34) towards COVID-19

Perception	Not Often	Occasionally	Often	Very Often	
Q.23 Do you think that pregnant women will be at higher risk of getting severe respiratory illness compared to non-pregnant women?	21(10.8)	86(44.1)	63(32.3)	25(12.8)	
	Not worried	Not sure	Neutral	Worried	Very worried
Q.24 How worried are you about being infected with COVID-19 during your pregnancy?	28(14.4)	78(40)	52(26.7)	31(15.9)	6(3.1)
	Low	Medium	High	Unsure	
Q.25 If you are diagnosed with COVID-19, what you do think is the risk of infection to the baby before delivery	23(11.8)	63(32.3)	87(44.6)	22(11.3)	
Q.26 If you are diagnosed with COVID-19, how likely do you think is the risk of infection to the baby during delivery	23(11.8)	66(33.8)	81(41.5)	25(12.8)	
Q.27 If you are diagnosed with COVID-19, how likely do you think is the risk of infection to the baby after delivery	21(10.8)	56(28.7)	89(45.6)	29(14.9)	
	Very Unlikely	Unlikely	Neutral	Likely	Very likely

Q.28	77(39.5)	62(31.8)	35(17.9)	19(9.7)	2(1)
Do you think pregnant women infected with COVID-19 are more likely to miscarry or go into labour early?					
Intra partum	No	Not sure	Yes		
Q.29	177(60)	58(29.7)	20(10.3)		
As we do not know enough about the risk of transmission of the COVID-19 infection to your baby, this may influence or affect the mode of delivery, hence will you agree if your doctor will advised you for caesarean section over a vaginal delivery if you are suspected to have COVID-19?					
Q.30	122(62.6)	50(25.6)	23(11.8)		
As we do not know enough about the risk of transmission of the COVID-19 infection to your baby, this may influence or affect the mode of delivery, hence will you agree if your doctor will advised you for caesarean section over a vaginal delivery if you are diagnosed with COVID-19?					
Post partum	No	Not sure	Yes		
Q.31	62(31.8)	43(22.1)	90(46.2)		
Do you think it is safe for infected women to have close contact (skin to skin) with their baby after delivery?					
Q.32	132(67.7)	28(14.4)	35(17.9)		
Will you isolate away from your baby for 2 weeks after delivery if you are infected with COVID-19					
Q.33	41(21)	25(12.8)	129(66.2)		
Under normal condition (with no COVID), would you breastfeed your baby?					
Q.34	80(41)	45(23.1)	70(35.9)		
If you were infected with COVID-19, would you still breastfeed your baby under specific precaution?
